Lights, Camera, Action !! Your Video Ministry is expanding our community outreach on a global scale through the technology of the Internet. Cameras and equipment have been donated to the church and our church board has OK'd the purchase of professional production equipment. What is missing are the people to operate the cameras and equipment. If your talents and interests are in photography we need you. Our Video Ministry is looking for camera operators, directors, and graphic artists as we expand our outreach. Don't feel intimidated by the technology. Classes will be offered in camera operation and production direction. Contact John Krell at 714-814-0942 for details.

Bulletin Deadline is Wednesday 5:00 pm. Send information to bulletin@gardengrovesda.com.
