**We extend a special welcome to Drs. Hans and Lily Diehl of Loma Linda to our church. Hans Diehl, the founder of the CHIP program, is a Clinical Professor of Preventive Medicine in the School of Medicine at Loma Linda University. He lectures widely, is a bestselling author and an author of nearly 20 scientific publication on the clinical efficacy of the CHIP program. Don't miss his PM lecture about the reversibility of many of our chronic diseases through a well documented lifestyle medicine approach. Lily Pan Diehl, a recording artist both as vocalist and on pianist, will delight you with a special musical treat this afternoon. You want to be here --with your friends and neighbors-- for both afternoon programs.**
