

GARDEN GROVE SDA CHURCH

Pastor's Newsletter

June 17, 2011

To all of our GGSDA Family--

The beginning of a new era happens today! We meet Pastor Garrett and Pastor Shiphrah in a few minutes with the whole staff to take pictures for the new Welcome Brochure, then lunch, then working on getting furniture and computers for their offices. THEN they speak for the first time for FNL tonight, and tomorrow they are installed as pastors and at Garden Grove! A wonderful and fantastic beginning for their ministries for the young people of our church.
