✦ Garden Grove SDA Church ✦

What's coming up.???

Let's see, it's been really busy at church, enough business, that there's something for everyone... CHIP came, did all that it was suppose to do, and continues with their once a month meetings. Then Search III came and we moved on to Heritage Sabbath. What a day. There was so much great information and history behind GGC. There had been so many people that have served in the last 115 years.

Ellen G. White, her husband James, and Abraham Lincoln impersonators did a wonderful job. There were so many questions answered, and I hope you didn't miss it. Then there was the lunch, where many helped out to make a delicious lunch. After lunch we all attended the concert, where many of the past Pastors spoke, many old friends, and great singing.

It was a great evening, and a great time when everyone had a chance to fellowship.

Well it seems that the Holidays are coming in with a bang. There's so much to do, there's no reason for any saint to be sitting idle. In the day, and more so now, it's important to keep our children busy in the LORD, fellowshipping within HIS care and with other saints.

With that being said, what's going on?

This Sabbath is another big Sabbath. Two weeks was a time for the adults to celebrate in the church about the church. An example for the children and youth of the church to follow... Well, they'll need to see that great example they saw last week, when we filled the church. We need to fill the church for them, to show that all are important to the family church.

This Sabbath is Investures for the Pathfinders and Adventurer Clubs. They have a wonderful program that we should all come out to support our church children and their parents. To teach about the village help me raise my children, be have to be that village.

already. They will be serving a Thanksgiving meal early Thanksgiving day, look out for the details.

I will be rescheduling movie night and will send you all the details soon.

On Dec 5th, will be a church wide fundraiser at the El Torito at the BLOCK. 25% will go to each receipt paid with flyer. Proceeds will go toward the cost of the retreat. Flyers will be available at church also as an attachment to email.

Don't forget to bring in your can food to help our church distribute food out to the community, so that our church will be blessed.

The young adults are on the way with their own schedule of events. The youth will be have a movie night for the youth on Dec 4th. Keep an eye out for their calendars and emails for all the fun with skating, gym nights and movies.

I hope you have a great Sabbath....

In HIS service and love,
Rose

The newest thing in town is our church visitation Wednesdays, our Pastors, Elders, and other church members are going out into the community to spread HIS word.
