Merry Christmas

'Tis the Season

Got Family? Got Church.

Look out cause here it comes! The Shopping, the crowds, the fun, the snow... In the mountains that is... Well unless you go back east, and let us pray for those that will be flying out back east to be with family.

We had a wonderful Sabbath service once again last week. You know where to go if you missed it. <http://www.gardengrovesda.com/sermon-audio-files-2011>. "How to Feel Love From a God?" How do we feel God's love, we fall short, we're not worthy, but we could still know God's love... Go ahead and listen to Pastor Dan's sermon and find out what are the 5 languages of Love are. Here's a hint: Words, Touch, Gifts, Time, and Acts of service... And the service had beautiful Christmas music that we all joined in voice with the Choir.

This past Monday night church had some fellowship along with participating in the Family Ministry's fundraiser at El Torito, with 25% of all receipts that night going toward the Church Retreat.

Huge! Huge, Huge, Huge thank you for all of you that came out Monday night to El Torito, which you helped raised \$155.92 by just coming out, and having dinner. The greatest success was the support and the great fellowship... A big thank you to the leaders that made arrangements to hold their meetings at El Torito. Thank you to the Elders who also came out to support. Thank to Pastor Dan and the family that even held their Bible study at El Torito, and a thank you to those that came out on their birthdays and celebrated in supporting Family Ministry's fundraiser. It was nice to see those that came out enjoyed themselves.

Well, there lots happening at church this weekend, which event will you be attending? Surely you don't want to waste any time and want to spend every moment you can in the work, in study and in fellowship with His Saints... That being said, you won't want to miss Sabbath school, and Sabbath Service.

Couples of things are coming up....

Rose
