Dear Saints of GGSDA!

We have a weekend full of special events, so we want to get this word out as quickly as possible so you can plan for everything. We know you have to pick and choose, but it's hard to pass up any of this! Of course the big event besides our worship services is the Girls' Basketball game Saturday night! You could feel the buzz all over Orangewood this week, as this is the first time in its history that we have gone to the Finals! 7:30 pm at Mater Dei High School in Santa Ana. We will have the honor of having Coach Leslie Aragon and the team in our Sanctuary tomorrow.

Our special music guests this Sabbath are the BUNNEL STRINGS. They come from Cal Baptist University in Riverside, so you know they will be terrific. They lost their parents some time ago, they have been touring as a family for years, and the video clips we have seen are tremendous.
