Dear GGSDA Saints!

May a Sabbath blessing come upon you and into your house in the next few minutes as the sun goes down! Whatever has been done for the week is done, whatever was not done can wait until next week! Sit still long enough to feel grace and love and peace and Presence.

This is the one Friday night a month for everyone to stay home. We have our sons' friends coming over. THE WAY is next week, FNL after that. Light some candles, read through the lesson for tomorrow (Matt. 24 for my class!), turn on Pandora and listen to Michael W. Smith or Hillsong or whatever leads you to worship!

**SATURDAY NIGHT:** ORANGEWOOD GIRLS' BASKETBALL again! 7 o'clock home game, against Providence Hall in Burbank, I believe. \$9 at the door, \$5 for students, Plus support our church members who are selling food to help out--potato taquitos, rice, beans, and nachos! There is no better entertainment deal than this, so let's fill the gym and make that gym rock!

**SOCIAL:** The Family Ministry team graciously slid their program down to Saturday night, March 24. They have a great night planned, a nacho specialty dinner with ice cream and all for dessert, a terrific dinner-theater-program, followed by a Domino tournament, karaoke, etc. etc. \$8 a person, \$25 per family, every single dollar goes towards making the Church Retreat cheaper and available for everybody!
