Pastor Dan's Communiqué

October 26, 2012

The Weekend is going to rock, Friday night to Sunday night, so pick out all that you can fit into your lives!

THE WAY TONIGHT! 7 pm, Youth Chapel. Every Friday night now. Tonight is an especially exciting night for Pastor Garrett, with his father, Pastor Randy Speyer, coming down from northern California to speak for his son's youth group! How cool is that? I've known Pastor Speyer from before Pastor Garrett was thought of, so it is great to have an old friend come to GGSDA!

INTERNATIONAL DINNER: Saturday night, doors open 6 pm, Food will be served at 12 booths from all over the world at 7 pm, and the program, filled with music from all of those same countries, will start at about 7:30. \$10 at the door, you will love this night!

SERVICES ON SABBATH:

1. SANCTUARY, 9:30 (Contemporary/Young Adult): For everybody who loves contemporary worship! We will have a great worship band, and then I get to have the message this week: **"WHITE-HOT CHRISTIANS!"** Jesus says that only "hot" Christians will go on the clouds--so what does it mean to be "hot"? If you've been searching for more passion and life on the spiritual side of your life, try to make it to this service and hear this message!

2. SABBATH SCHOOLS, 10:30. If you have been missing this, why not try one of our classes? My class is in the Pathfinder Room, about 30 coming regularly, looking at all sides of the Sabbath and the Last Days. There is also the Filipino Fellowship in Community Services, Vietnamese Fellowship in the Mothers' Room, Tom Neslund in the North Room, a class in the Library--plus Youth in the Youth Chapel, Young Adults in the Fellowship Hall (on the stage this week, which should work just fine!), and all the other divisions.

3. DIVINE WORSHIP, 11:30. We are having many say they are being blessed by being into The Lord's Prayer for this series. We hope you are saying it every day, pausing over each phrase. This Sabbath it is Pastor Garrett and the prayer at the heart of the prayer--**"GIVE US THIS DAY OUR DAILY BREAD."** Is it a guarantee? Can you count on it? How about when people are starving in Africa? Is God really involved and listening to prayers for physical things, daily survival things? How does God answer this prayer? He doesn't have a bakery--so how does this work?

VIETNAMESE FELLOWSHIP: 4 pm, Youth Chapel.

SUNDAY: 4 pm, Financial Peace University, final meeting, graduation, potluck!

ADVENTURERS: A note from Julia Gibbs: [October 27, 2012: Adventurer club Meeting.](#)
