How do you want to begin 2013? Do you hope this year will be different than last year? What's holding you back from making that change? What are you carrying right now? What are you holding on to that you're not willing to let go of? The truth is, tomorrow doesn't have to be the same as today. There is hope. You can start new. But... You must forgive. You must let go. You must begin to heal. This raises all sorts of new questions... How do we forgive? What does forgiveness look like? How on earth do you forgive, when you did nothing to deserve what happened to you? When it hurts just thinking about what that person did to you? How do you forgive *that*? You may not be able to control what happened to you, but you can control how you handle it. You can control whether you let what someone did to you days, weeks, months, even years ago determine the way you're going to live today. What will you choose? Who do you need to forgive so that you can be free? Join us at The Sanctuary THIS Sabbath as I preach on what TRUE forgiveness is and make 2013 a year like none other.  
Grace and peace,  
-Pastor Garrett
