

The Second Coming Is Second To None

Handout #13

Following the opening of the sixth seal were four events, what were they?

Answer:

1. The Great earthquake of Lisbon Portugal (November 1, 1755)
2. Sun become black (May 19, 1780)
3. Moon become red like blood (May 19, 1780)
4. Stars falling from the sky (November 13, 1833)

Revelation 6:12-15

Right before Jesus comes what will Satan try to do?

Answer: Deceive us (Matthew 24:4-5, 24)

How do I know that the coming of Jesus will not be a secret?

Answer: The coming of Jesus will only be a surprise to those not ready. Although the Bible says that the coming of Jesus will be a thief in the night it also says that there will be a great noise, fervent heat and the earth will be burned up (II Peter 3:10)

What about the Secret Rapture, is that Biblical?

Answer: You will never see the word rapture in the Bible. Nor will you find the word secret attached to the word rapture. The idea of a secret rapture is a false idea that has no Biblical foundation. When the Bible says that one will be left and the other taken is simply stating that there will be two classes of people. One lost, the other saved.

4 truths about the second coming:

1. All will see Him come (Revelation 1:7)
2. All will hear Him come (I Thessalonians 4:16)
3. The manner in which Jesus left the earth is the same way He'll return (Acts 1:11)
4. Our case has already been decided (Revelation 22:11)

Why hasn't Jesus come yet?

1. Gospel needs to be preached in all the world (Matthew 24:14)
2. God is not willing for any to perish. He wants the maximum amount of people to be saved (II Peter 3:9)
