

Garden Grove Seventh-day Adventist Church Pastor Dan's Communiqué

May 10, 2013

Dear Saints!

Happy Mothers' Day to all mothers of Garden Grove!

We are making a big fuss over our mothers this weekend, so we hope that if you are a mother, you will come and let us bless you. And if you are not a mother but have one close enough to bring, invite them! This will be an absolutely "feel-good" Sabbath for them!

THE WAY: 7 pm tonight, Youth Chapel, with Pastor Garrett!

DIVINE WORSHIP (11:30): Besides the sermon during second service, and flowers and special prayer and all the tradition, the Men's Ministry has added something special this year:

"To all the mothers of the Garden Grove SDA Church, the sons of our church would like to invite you to a Special Mothers Day Dinner held in the Fellowship Hall immediately after church. Please allow your children to escort you in. Your picture will be taken for the memory and commitment of your love will be celebrated here and in heaven for all eternity. It is an honor to serve the mothers of our church. John Ministry 2013." (Mu Filemu, Leader, John's Ministry)

SANCTUARY (9:30): Pastor Shiphrah takes our series about love and intimacy and relationships in the Song of Solomon to the next level with her message. Come and hear a young adult speak from and to her own generation about the questions everyone has about whether God and the Bible are still contemporary enough to be taken seriously in the area of sexuality, finding the love of your life, etc. Don't miss this, don't be late, we can't cover these topics every other month, so get up and see what you think.

DINNER: The Men's Ministry, as you saw above, is hosting a dinner for all the mothers and their families. Kids and youth and others will usher their mothers in a grand red carpet entrance into the Fellowship Hall, and a great photographer will snap a memento picture of which mothers can get a copy.

VIETNAMESE FELLOWSHIP: 4 pm, Youth Chapel.

BENEFIT CONCERT, Saturday night, 6:30, Fellowship Hall: Every year Joel Tameifuna puts on a great benefit concert for our church. This year it is of course for Tonga, but it is always filled with a terrific variety of music. Come enjoy, and put something into the offering plate to help him and some others go to Tonga where he can help us with music for the crusades we will be holding. He is a fantastic musician, and we need him, besides it is going to his home country!

Coming Up:

Thursday, May 16: Spring Concert, Thursday Night, 7 pm, Chapel. *The Spirit of Polynesia* is the theme, with the cultures of Hawaii, Samoa, Tonga, and Tahiti featured in island song and dance. Hear the songs of the first missionaries to bring Christianity to the islands. Come enjoy students from Sunrise Christian Preschool to Academy seniors performing together.
