## Pastor Dan's Communiqué

October 11, 2013

Dear Saints!

As of now, we have at least two possibilities for our Young Adult pastor position who have agreed to come and preach for THE SANCTUARY and to be interviewed. Pastor Jesse Seibel, who preached for us last June, will come back next week, October 19, and preach for both services, two different sermons. His wife's family is in our church and her brother leads our Drama Ministry! We have some other individuals that are still being studied by the Conference, but these two families are coming to GGSDA to speak, so pray for them, and pray for the Committee and others who will be interviewing them! But you can all come and hear the sermons and meet them, and be part of this very dynamic process! We want to hear God's Voice as clear as we can, for our sake and of course for these two wonderful pastors' sake as well!

**THE WAY (7:00 & 8:00): Pastor Sara-May's first full night speaking! Supper at 7, music and message about 8. Orangewood is joining us for their Vespers tonight!**

**SANCTUARY (9:30): Pastor Filip**, the young adult pastor at our sister church in Laguna, is speaking for our young adult contemporary worship service. We think, it is going to be a pretty terrific worship service and message!

**SANCTUARY / Young Adults SS (10:30, FH):** "This week we will touch upon the characteristics that make a building a Sanctuary, and people--both corporately and individually--a Tabernacle of God. **Should we as modern-day Christians still place a focus on the Sanctuary message? What role does the sanctuary play in our past, present, and future?**

**DIVINE WORSHIP (11:30):** Praise, great choir songs, AND the Installation service for Pastor Sara-May, our terrific new Youth Pastor.

I have the message, on: "**Can Anything Good Come Out of Hollywood?**" Is God sneaking His Truth into popular culture, or is that pure accident? Can you watch, read, listen, and get the true without getting affected by the false? Should Christians use the world's methods for God's message?

**POTLUCK:** Right after Church upstairs, our official welcome to Pastor Sara-May!

**GRACE UNIVERSITY: 2:30 to 4:00, Fellowship Hall.** Tightly-packed, the core essential highlights on how to be a gossip for God, making God look good. Learn how to take at least one person to heaven with you!

**PATHFINDERS:** Get your hiking shoes on, water, a hat, and some sunscreen...we're going hiking!!! Yes, this Sabbath right after the Fellowship Dinner (at about 3 p.m.) we will head over to Crystal Cove State Park for our first hike of this Pathfinder season.

**VIETNAMESE FELLOWSHIP (4pm): Worship at 4, SS at 3.** Youth Chapel. I have the message.

**REVELATION SEMINAR: Monday night, 8 pm, Fellowship Hall, our last night, the Grand Finale of Revelation, the closing scenes that will wrap up the Great Controversy forever!**

**Children's Church: KIDS IN CHRIST: Sabbath, October 19 at 11:30 a.m. at the Fellowship Hall.** We are excited to announce this year's theme for Children's Church: **THE PRINCE OF LIFE**. Come and enjoy learning about the life of Jesus and His wonderful parables. Elder Arthur Kiziak will be our special speaker this month. Activities, crafts and snack time will follow. Please enjoy a coloring page for this month's topic: Jesus' Birth as found in Luke 2:1-38.

**HEALTH INSURANCE:** I have learned a little more about this. The new health care exchanges are working. 7000 agents have been trained in CA to help customers with this. You don't pay any more to get the help in navigating the system. If you go on-line you have to fill out a 37-page application. These agents have been trained and certified to help, but the company pays them, not you! We have 3 in our church, at least--Steve Austin, Jeff Terreros, and Brandon Monty. They are happy to help anybody in our church who could use the help in getting the issues sorted out! I gave Jeff's number already, here is Steve's ([714-264-8911](tel:714-264-8911)). They all work out of the same office. We are not endorsing anybody, and cannot promote anybody's business--but this one time, if people need help for getting insurance coverage, these three are offering this ministry.

God bless!  
Pastor Dan
