**THE GREAT CONTROVERSARY IN HEAVEN** is the war between the angel's loving, grace-filled picture of God's character and the ugly picture that Satan paints of God. Does your picture of God's character stop you from yearning for Heaven?

No matter how good or how ugly your picture of God is . . . JONATHAN HENDERSON'S picture of God's character and His grace for everyone, everywhere, every time will make you fall in love with Him for the first time or all over again!
