

# Garden Grove Seventh-day Adventist Church

## Pastor Dan's Communiqué

October 3, 2014

Dear Saints!

One week away! Next weekend is one of the biggest we have ever had at Garden Grove--the Heritage Singers, all to ourselves, the whole weekend! Friday night, Sabbath morning, Saturday night! They sing all kinds of music, so we hope that everybody will come out, and just enjoy this!

And invite somebody. We want every seat filled. Be proud, your home church is putting on a great concert, there will be an "God is an Awesome God" 15-minute message inside, a free dinner--we don't know how to make it any better than this! **6:30 Dinner; 7:30 Concert.**

But this weekend is going to be pretty special on its own!

### **TONIGHT: The Youth Group is showing the great movie, "GOD IS NOT DEAD!"**

We watched it on our laptop on vacation--great movie, great message. Food at 7:00, Movie at 7:30. Get your young people down there tonight--AND enjoy the new chairs!

### **SABBATH:**

**FIRST SERVICE (9:30am):** Our young intern for the fall, **JESSE CHURCHILL**, from Walla Walla, will preach for the first time for us. He is just a terrific young man, donating these three months to doing ministry for us. He has been part of a group that started a student church up there, he's totally involved already everywhere in our church--I myself can hardly wait to see what he will say tomorrow!

**SECOND SERVICE (11:30am):** Praise, a group singing just about my favorite song, "**Jerusalem**" again--and a message, from Revelation: "**ARMAGEDDON!**" We're in a series exposing the demons for who they are, climaxing with the messages over the next two weekends.

**POTLUCK (1:00pm):** Fellowship Hall, everybody invited. Elder Penick had a big birthday this week, drop by and give him a high five!

### **COMMITTEES:**

**Health & Wellness, 2:30 pm, in one corner**

**Evangelism Committee (Contagious Christianity), 3:00 pm**

**VIETNAMESE FELLOWSHIP: 4 pm, Youth Chapel,** I have the message, where Jesus asks, "Who do you say that I am?"

**FILIPINO FELLOWSHIP:** We will have SS in the Community Service Room, and then many will be going to the "Farm" in Temecula for a retreat for the weekend.

God bless, everybody!
