THE WAY: "Tonight THE WAY IS BACK! We have a wonderful speaker (Craig Hadley) coming down from Redlands and we have our very own Nathan Smith and Betty Long to lead in worship! Please come out for a time of worship, food and friends! See you SOON! 7 p.m. is food and 7:30 p.m. worship starts!"

OC GRACE FIRST: Here for the ONE--Pastor Tony: "Daniel series: This week we'll look at an emperor who went insane- the very personification of what empires look like today and through history. We'll discuss what our counter script looks like and as always, how to be a Christian living in captivity. We'll also discuss chapter five and what the writing on the wall really meant for the new king. Lastly, please don't forget to bring money or school supplies for Hazel's school there in Yap!"

PASTOR'S BIBLE CLASS: Tomorrow we invite a special guest to give the message: **Filemu (Mu) Filemu** has a Conference looking to call him into ministry, but they have asked for a video sermon--and so we have invited Pastor Mu to come and give his best 20-minute, passionate, heart-felt message in the Pathfinder Room for our class and all guests--and then we will pray that God leads them to extend a call into pastoral ministry to him!
