

Garden Grove Seventh-day Adventist Church Pastor Dan's Newsletter

September 2, 2016

Aloha to you all!

Sorry to use a very obvious cliché--but we are here and it's almost obligatory! I wish I knew how to include a picture of the view from our balcony. We are in Kapaa, on the east side of Kauai. So far there has been no evidence of a hurricane, which has left Hilda very disappointed! Our one chance to be in the middle of a hurricane and it passes us by! But there's one more chance, so we'll see. Alex and his girlfriend Agie have joined us for the Labor Day weekend, so we are thrilled to have them all here. We aren't doing much beyond walking, swimming, and reading by the beach, which has just been a gift to our soul.

Please look tomorrow for the booth for the Wellstart health program. It is absolutely a fantastic chance to maximize your health, with the guidance of true experts--we are hoping that most of the church will take advantage of this and give yourself a chance to live well and live long!

You can't get a more intriguing title that **Pastor Tony's** for First Service at 9:30--"SEASONS AND RECEDING HAIRLINES". And then **Pastor Sara** preaches on the last miracle for our MIRACLES! series--Peter cutting off the ear of the servant, and then Jesus putting it back. Come see where she goes with that?!

The potluck has been postponed until the day for the ONE-DAY REVELATION SEMINAR on September 17, so the afternoon and weekend are free for your family! We will come flying in ready to start the Revelation series and Revelation 1 next Sabbath.

God bless you all--we will miss you tomorrow!
