### Young Adult Associate Pastor Search Committee Update

The search committee has met again and would like to thank everyone who completed the survey or turned in recommendations. We appreciate the willingness of our congregation to actively take part in the process.

The survey yielded the following top five qualities that were valued by our congregation: 1) SDA doctrine, 2) people person, 3) passion for the Lord, 4) mature, and 5) team person. We will keep these in mind as we continue to work closely with the conference in this process. We are making progress and ask for your continued support and prayers.
